Date 6-10-98

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

- This water belongs to Northern California & not to Southern California.
- I can't eat the fish from my own Rivers - Sacramento & San Joaquin because I feel the water is polluted with pesticide & herbicide runoff.
- Our Delta area is in jeopardy because of potential water diversion!
